PROFESSIONAL EXPERIENCE

Senior Accountant | Layalina Sweets | *Makkah, KSA | Jun 2025 – Present*

- Run accounting for 4 branches, a manufacturing facility and warehouses in Odoo 18: general ledger, AP/AR, cost centres, month-end closing, and consolidated income statements and profitability reports for management.
- Review bank transactions, complete monthly reconciliations, follow up collections and help plan supplier payments to keep cash flow stable.
- Reconcile delivery platform accounts (HungerStation, Keeta, Ninja, Mrsool, Barakah): settlement reviews, price updates and coordination with account managers.
- Led a product costing project covering 202 raw materials and 100+ finished products: rebuilt raw material costs, standardised units of measure, validated recipes and consumption rates, and updated costs in Odoo to enhance profitability analysis and support pricing decisions across delivery platforms.
- Took part in the Onyx Pro to Odoo migration: chart of accounts review, data validation, system testing and user support.
- Identified that branch sales were not separated in the income statement and built a pilot Odoo 19 database to redesign the structure: a new 134-account Arabic chart of accounts designed with IFRS principles in mind, 14 account groups, 15 product categories, standardised units of measure, and separate warehouses and journals for each branch.
- In the pilot, configured per-branch access for 10 users (8 cashiers, supervisor, admin), tested automatic customer invoice emails, and documented the differences between Odoo 18 and 19.
- Monitor ZATCA Phase 2 invoice validation, resolve warnings and ensure successful e-invoice submission; review payroll entries and reconcile payroll accounts with HR.

Accountant (Part-Time) | Nahma Restaurant | *Makkah, KSA | Jun 2026 – Present*

- Handle daily journal entries, reconciliations and financial reports; manage and reconcile delivery platform accounts (HungerStation, Keeta, Ninja), including menu and price updates, and reconcile settlements with bank receipts.
- Prepare and submit the quarterly VAT return and the monthly income statement to the finance department.

Accountant | Damietta Gas Company | *Damietta, Egypt | Jul 2020 – Jun 2025*

- Prepared monthly income statement, balance sheet, cash flow statement and budget variance analysis for senior management.
- Processed journal entries, AP/AR and general ledger reconciliations across multiple cost centres in Odoo.
- Prepared bank, supplier and customer reconciliations and balance sheet schedules; supported internal and external audits; reviewed payroll entries.

Career Break | *Egypt | Nov 2016 – Jun 2020*

Final-year studies (graduated 2017); mandatory military service (Dec 2017 – Dec 2018); followed by a transition period.

Junior Accountant | Damietta Gas Company | *Damietta, Egypt | Jun 2013 – Oct 2016*

- Recorded daily journal entries and assisted with period-end closing: accruals, prepaid expenses and ledger adjustments.
